PETITION UNDER 37 C.F.R. § 1.47(a)

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313

Sir:

Applicants hereby petition the United States Patent & Trademark Office to make application for patent on behalf of and as agent for Peter Duthie on the ground that Peter Duthie cannot be reached after a diligent effort has been made to do so. Applicants also hereby petition the United States Patent & Trademark Office to make application on behalf of and agent for Richard Dykiel and Richard Lagueux on the grounds that Richard Dykiel and Richard Lagueux have refused to accept any application papers and have refused to sign the Declaration.

Attached is a Declaration by V. Lynn Webb, who mailed copies of the Application, the Drawings, and the Declaration and Power of Attorney to inventor Peter Duthie on October 2, 2003 via Federal Express and subsequently spoke with the Federal Express agent who attempted to deliver the package in Australia. Also attached is a Declaration by Kevin D. Wills, who made a diligent effort to contact Peter Duthie in the course of drafting the patent application. As is detailed in the Declaration by V. Lynn Webb and Kevin D. Wills, Peter Duthie's whereabouts are unknown after a bona fide effort has been made to contact Peter Duthie.

Also attached is a Declaration by Kevin D. Wills, who made a bona fide and diligent attempt to present a copy of the application papers (including specification, claims, drawings and Declaration) to Richard Dykiel and Richard Lagueux for signature. Both Richard Dykiel and Richard Lagueux refused delivery of said application papers and refused to sign said Declaration per instruction from their corporate counsel. The Declaration by Kevin D. Wills contains a copy of the express refusal by both Richard Dykiel and Richard Lagueux to accept delivery of the application papers and to sign the Declaration as required by MPEP 409.03(d).

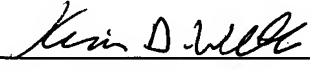

Also attached hereto are copies of an Assignment executed by the other inventor of the invention assigning his interests in the invention to Motorola, Inc., ("Motorola") and a Declaration and Power of Attorney executed by the other inventor authorizing Motorola to represent him in regard to the prosecution of this application before the United States Patent and Trademark Office.

Therefore, applicants respectfully request that their Petition be granted and that they be authorized to make application for patent on behalf of and as agent for Peter Duthie, Richard Dykiel and Richard Lagueux.

Please charge Deposit Account 502117 for any required fees such as the miscellaneous petition fee under 37 CFR 1.17(h).

Respectfully submitted,
Harold N. Rosenstock

DECLARATION OF KEVIN D. WILLS UNDER 37 C.F.R. § 1.47

I, Kevin D. Wills, hereby state as follows:

1. I am a Patent Attorney in the Law Department at Motorola, Inc. ("Motorola"), in Phoenix, Arizona. My responsibilities include working with Motorola employees and non-Motorola employees to prepare and prosecute patent applications for Motorola.
2. On September 6, 2003, I sent an email to the last known email address of Peter Duthie (pduthie@warlordsofbeer.com) notifying him of his possible inventorship on a patent application. As of the date of this Declaration, I have received no response to this email. A copy of the email is attached as Exhibit 1.
3. On or about September 4, 2003, I spoke with two former co-workers of Peter Duthie, Jeff Wise and Steve Hauser, both of which had no contact data for Peter Duthie.
4. On September 9, 2003, I spoke with two former co-workers of Peter Duthie, Richard Dykiel and Richard Lagueux, both of which had no contact data for Peter Duthie.
5. On or about September 22, 2003, I spoke with a former co-worker of Peter Duthie, Nehru Bhandaru, and he had no contact data for Peter Duthie.

6. On September 28, 2003, I sent an email to Peter Duthie's former boss (at the now defunct Paceline Inc.), Brian Rich (presently a Motorola employee), requesting contact information for Peter Duthie. Brian Rich replied in an email that he does not have Peter Duthie's current contact information. The email is attached as Exhibit 2. In a phone call with Brian Rich later that same day, Brian Rich suggested I talk to the former Director of Software at Paceline Inc. (Rod Gregoire) as to Peter Duthie's whereabouts. Brian Rich also indicated that he believed Peter Duthie moved back to Australia at the beginning of 2003.
7. On September 29, 2003, a former co-worker and present co-inventor of Peter Duthie's, Hal Rosenstock, contacted me with his last known contact information for Peter Duthie including an address and phone number. This email is attached as Exhibit 3.
8. On September 29, 2003, I attempted to contact Peter Duthie at his last known phone number (617 795-0596) given to me by Hal Rosenstock. The phone number was disconnected with no forwarding number given.
9. On September 29, 2003, I spoke with Rod Gregoire and he indicated that the last known address given to me by Hal Rosenstock (25 Elliot Street, Newton, MA) was not correct. Rod Gregoire gave me Peter Duthie's last known address in Australia, that is, 12 Namara Place, Engadine, New South Wales 2233, AUSTRALIA. I forwarded this address to my Administrative Assistant, V. Lynn Webb so copies of the patent application, Declaration and Assignment could be mailed to him.
10. On September 30, 2003, I performed an Internet search and was unable to locate a phone number or address of Peter Duthie in Australia or the U.S.
10. Based on my exhaustive search, I believe that further efforts to contact Peter Duthie would be futile.
11. Enclosed please find copies of the emails indicating my attempts to locate Peter Duthie.

I declare under penalty of perjury that the statements made by me in this Declaration are true and correct.

Respectfully submitted,

I am filing some of the Paceline patents on Monday, September 29th. I need the last known address of Peter Duthie (US or Australia). It doesn't have to be his current address (unless you have that). Do you have this or know someone who might. I've already checked with Hal Rosenstock, Jeff Wise, Steve Hauser, Nehru Bhandaru, Richard Dykiel, Mark Stewart and Richard Lagueux. I need this ASAP (Monday morning). Let me know if you cannot find it or don't know anyone who might have it.

Thanks,

Kevin

1. Use the "Print" feature from your browser to send this page to your laser or inkjet printer. Fold the printed page along the horizontal line.

2. Place 2 originals of the shipping label in the pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

The Warsaw Convention may apply and will govern and in most cases limit the liability of FEDERAL EXPRESS for loss or delay of or damage to your shipment, subject to the conditions of the contract on the bottom of this document.

LEGAL TERMS AND CONDITIONS OF FEDEX SHIPPING DEFINITIONS. On this Air Waybill, "we", "our", "us", and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches and their respective employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. **AIR CARRIAGE NOTICE.** For any international shipments by air, the Warsaw Convention, as amended, may be applicable. The Warsaw Convention, as amended, will then govern and in most cases limit FedEx's liability for loss, delay of, or damage to your shipment. The Warsaw Convention, as amended, limits FedEx's liability. For example in the U.S. liability is limited to \$9.07 per pound (20\$ per kilogram), unless a higher value for carriage is declared as described below and you pay any applicable supplementary charges. The interpretation and operation of the Warsaw Convention's liability limits may vary in each country. There are no specific stopping places which are agreed to and FedEx reserves the right to route the shipment in any way FedEx deems appropriate. **ROAD TRANSPORT NOTICE.** Shipments transported solely by road to or from a country which is a party to the Warsaw Convention or the Contract for the International Carriage of Goods by Road (the "CMR") are subject to the terms and conditions of the CMR, notwithstanding any other provision of this Air Waybill to the contrary. For those shipments transported solely by road, if a conflict arises between the provisions of the CMR and this Air Waybill, the terms of the CMR shall prevail. **LIMITATION OF LIABILITY.** If not governed by the Warsaw Convention, the CMR, or other international treaties, laws, other government regulations, orders, or requirements, FedEx's maximum liability for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with your shipment is limited by this Agreement and as set out in the terms and conditions of the contract of carriage. Please refer to the contract of carriage set forth in the applicable FedEx Service Guide or its equivalent to determine the contractual limitation. FedEx does not provide cargo liability or all-risk insurance, but you may pay an additional charge for each additional U.S. \$100 (or equivalent local currency for the country of origin) of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. **LIABILITIES NOT ASSUMED.** IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to incorrect declaration of cargo, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment or violations by any party of the terms of this agreement. FedEx won't be liable for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items or in instances beyond our control, such as acts of God, perils of the air, weather conditions, mechanical delays, acts of public enemies, war, strike, civil commotion, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. **NO WARRANTY.** We make no warranties, express or implied. **CLAIMS FOR LOSS, DAMAGE OR DELAY.** ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR TARIFF, APPLICABLE FEDEX SERVICE GUIDE, OR STANDARD CONDITIONS OF CARRIAGE FOR DETAILS. The Warsaw Convention provides specific written claims procedures for damage, delay or non-delivery of your shipment. Moreover, the interpretation and operation of the Warsaw Convention's claims provisions may vary in each country. Refer to the Convention to determine the claims period for your shipment. The right to damages against us shall be extinguished unless an action is brought within two years, as set forth in the Convention. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from the transportation charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping carton and packing must be made available to us for inspection. **MANDATORY LAW.** Insofar as any provision contained or referred to in this Air Waybill may be contrary to any applicable international treaties, laws, government regulations, orders or requirements such provisions shall remain in effect as a part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provisions shall not affect any other part of this Air Waybill. Unless otherwise indicated, FEDERAL EXPRESS CORPORATION, 2005 Corporate Avenue, Memphis, TN 38132, USA, is the first carrier of this shipment. Email address located at www.fedex.com.
